

Halubase User Guide

Welcome to **Halubase**, your private and beautiful digital journal! This guide will help you get started with the core features of the app.

1. Creating Your First Entry

To start journaling, tap the large **(+)** button on the Home screen.

- **Title & Content:** Write about your day, jot down ideas, or keep important notes.
- **Mood:** Select an emoji that represents your current feeling.
- **Hashtags:** Add tags like #work, #travel, or #ideas by typing # followed by your keyword. This helps you organize and search your entries later!

2. Attaching Media & Files

Halubase is not just for text! You can attach various types of media to your entries:

- **Photos & Videos:** Tap the Image/Video icon to attach media from your gallery.
- **Documents:** Tap the Document icon to attach PDFs, Word files, Excel spreadsheets, and more.
- **Voice Notes:** Tap the Microphone icon to record a quick voice memo directly into your journal.
- **Web Links:** Simply paste any web link (URL) into your text. Halubase will automatically generate a beautiful, rich link preview!

3. Timeline & Organization

Your home screen displays your memories beautifully organized:

- **Week View:** See a collage of your weekly activities. Important days will be highlighted automatically.
- **Month View:** Zoom out to see a calendar view of your entire month.
- **Filtering:** Tap on the file counts (e.g., 2 PDF, 3 Links) to quickly view all specific types of files from that week or month.

4. Privacy & Security

Your privacy is our priority:

- All your diary entries and files are stored **locally** on your device by default.
- You can backup your data or export it anytime from the **Settings** menu.
- **Secret Folder (Premium):** Hide your most private entries behind a secure PIN or Biometric lock.

5. Halubase Premium

Upgrade to Premium (a one-time purchase) to unlock the full potential:

- **No Advertisements:** Enjoy a clean, distraction-free journaling experience.
- **Unlimited Media:** Attach unlimited photos and files to your entries.
- **Secret Folder:** Secure your sensitive data.

Thank you for choosing Halubase! Start capturing your beautiful moments today.
